

Journal Club for single-cell sequencing in Biology and Medicine

Time: 7:00 pm – 9:00 pm on every Wednesday, starting from 13 Feb 2019.

Location: Room 4589, Lift 27-28, Academic Building.

Note:

- This learning club is open to **anyone** interested in single cell RNA sequencing and its application in biology and medicine.
- The main learning activities are a **weekly** lecture-style presentation by each participant followed by discussion on the presented paper.
- Each participant is **required** to give at least one talk in the club. There is one 1-hour talk on every meeting day.
- Please contact Ming Hong LUI (mhlui@connect.hku.hk) for more information.
